

Get to Know Steve Isaacson

How the Candidate Thinks

Following, is series of short essays, written by the candidate, so that you may know how he thinks. Compare what Steve thinks to the way so many politicians do. Most are in there for their prestige, while Steve wants to be able to serve his countrymen from a better vantage point, in order to become much more effective. He is the Trojan Horse of American Liberty, not the Fascist Lobbyist pleaser most have become.
